OLDSMOBILES AROUND THE WORLD BY MARC BEAULAC

In June this year Dee and I took a cruise of the Baltic Sea. During a walk in Old Town Tallinn Estonia, one of the stops, we came across an Olds 442. In Tallinn of all places. Seems like they never die and can even survive in a Former Soviet Republic. Look at the picture from the front and you can see a Pontiac in the background. Tallinn is a beautiful, friendly city and we enjoyed the visit. Here is a link to the city site.

President's Message

Fellow club members—Well, its that time of year again! Time to come out of hibernation from our air-conditioned homes and pull the car cover(s) off your trusted rocket that has been garaged for the last four months. Yes folks fall is almost here!! No more 110+ degree days, no more sunburns while walking to get your mail. Its time for the fall festivals, changing leaves and of course football season is here to stay for awhile. The Oldsmobile club of Arizona can think of no better way to kick off our fall series of events with the return of the local drive-in event on September 15th. The event is free to all members and a nominal fee will be charged to guests of members. Included in the event is the price of the movie, sandwiches, chips, sodas and of course candy. Please RSVP to Kerry Warrick with the number in your party and if any of the attendees are 12 or under.

Our annual elections will take place in October and I strongly encourage any of you who have interest in assuming a board to position to contact me or other board members for more information. Remember Olds club of Arizona belongs all members not just a select few!

Once again the turnout to club row on the fourth Saturday has been sporadic at best. We do not want to risk loosing our spot to a bunch of corvettes! Do we? Please start participating in the monthly club meetings!!

The clubs general meeting will take place on September 22nd at 4:00pm. Please note the change in time and the new venue! We will leave oriental gardens in favor of Sweet Tomato's. Oriental Gardens back room was too loud at times to conduct club business. Hopefully Sweet Tomato's will provide a more favorable environment.

Respectfully,

Dave Lyons
