## TORONADO # 1

BY JIM SCHULTZ

At the recent National Antique Olds Club national meet at Westford Massachusetts I got to know Steve White who was in charge of the GM collection display. After pestering him and trying to get him to take Toronado # 1 out on I-495 to "blow the spiders out of it" he consented to give me a ride around the hotel grounds. I can now cross off one more thing I wanted to do before I go to the big Oldsmobile junk yard in the sky.

Jim Schultz, OCAZ club member since its founding August 1987.

I encourage all of you to step up and take a role in the Oldsmobile club. Do not let your club fade away! The Bisbee trip is coming in November please make a reservation now if you plan on going. ### **IS YOUR NATIONAL MEMBERSHIP CURRENT?**

As you should know, all Oldsmobile Club of Arizona members are required to be members of the Oldsmobile Club of America (OCA), the national club. Once a year we have to submit a list of our members to them, to ensure that we are compliant with their rule. We will be submitting that list very soon. If your OCA membership is not current, please renew it right away. You can tell if your membership is current if you are receiving the monthly magazine Journey With Olds (JWO). If you are not receiving this magazine, then your membership has expired. Your membership expiration date is shown on the mailing label of the JWO. If we have non-compliant members we will be in jeopardy of losing our OCA charter. Please don't let that happen. Please renew 2 months in advance to ensure your membership does not lapse.
